SUMMARY OF CHANGES

[Davis-Bacon Act wage decision NY01002](#) modification 2 dated 5/04/01, affecting Maintenance, Dredging, Lake Champlain **PROVIDED THE BIDS HAVE NOT BEEN OPENED** follows below and supersedes only previously furnished NY010002 decision for this project.

Please remember that in negotiated procurements, the wage rates in effect on the date of contract award (not at proposal due date or FPR date) are the ones to be incorporated in the contract..

Also note the "10-day rule": For contracts entered into pursuant to competitive bidding procedures, 29 CFR 1.6(c)(3)(i) requires contracting agencies to accept modifications to wage determinations, notice of which is published in the Federal Register less than 10 days before bid opening, unless the agency finds that there is not sufficient time to notify bidders of the change. A report of the finding must be included in the contract file and submitted to the Wage-Hour Administrator of DOL upon request.,

Please ensure that this modified decision is incorporated into the applicable solicitation and its resultant contract as set forth in FAR 22.404-6

In the listing above, the "SU" designation means that rates

listed under that identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U. S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N. W.  
Washington, D. C. 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U. S. Department of Labor

200 Constitution Avenue, N. W.  
Washington, D. C. 20210

- 4.) All decisions by the Administrative Review Board are final.  
END OF GENERAL DECISION
